# MEET CARUS

---

Carus is a leading designer brand that produces high-quality tufted wall-to-wall carpets for commercial use. At Carus, flexibility to adapt to your needs on different levels is key. It means putting you, the customer, at the center of our services so that you can complete your professional project in the shortest amount of production time possible, and with the highest degree of personalization.

Carus ist eine führende Designermarke, die hochwertige getuftete Teppichböden für den gewerblichen Bereich herstellt. Bei Carus wird Flexibilität großgeschrieben. Wir stellen uns auf verschiedenen Ebenen auf Ihre Bedürfnisse ein. Dabei stehen Sie als Kunde im Zentrum unserer Dienstleistungen und können Ihre Projekte in kürzester Produktionszeit und mit dem höchsten Maß an Personalisierung verwirklichen.

Carus est un leader mondial dans la conception de moquettes tuftées de haute qualité destinées à un usage commercial. Chez Carus, la flexibilité pour s'adapter à vos besoins, à différents niveaux, est essentielle. En tant que client, vous êtes au centre de nos préoccupations. Notre objectif est toujours de vous permettre de mener à bien votre projet professionnel dans les meilleures conditions, avec un délai de production aussi court que possible et le plus haut degré de personnalisation.

WELCOME  
WILLKOMMEN  
BIENVENUE

At Carus, we understand the importance of a personal approach, our Millitron technique allows you to create the exact atmosphere you envision for any project.

For your convenience, we have predefined different color banks, in line with the latest trends in interior design and decoration. Each color bank lends itself to creating a very distinctive and unique universe. The color banks are a selection of the 40 colors present into the CARUS YOUR DESIGN selection, suggesting different design options.

You're also free to explore your own creativity and create your own design with these predefined colors. Or, if you have a creative carpet idea, you can even take the reins yourself and exercise full creative control, resulting in your own design, in your own colors.

Our wide range of colors and designs will be sure to inspire you to bring your ideas to life. We'll be glad to help you with every step in this creative process.

The design team

Wir bei Carus wissen, wie wichtig eine persönliche Herangehensweise ist. Unser Millitron-Verfahren bietet Ihnen die Möglichkeit, für jedes Projekt die passende Atmosphäre genau nach Ihren Vorstellungen zu schaffen.

Der Einfachheit halber haben wir für Sie verschiedene Farbpaletten vordefiniert, die den neuesten Trends im Bereich der Innenarchitektur und der Raumausstattung entsprechen. Jede Farbpalette erzeugt ein ganz spezielles, einzigartiges Ambiente. Die Farbpalette stammt aus der 40 Farben umfassenden CARUS YOUR DESIGN Kollektion mit ihren vielen verschiedenen Designoptionen.

Sie können auch gerne Ihrer Kreativität freien Lauf lassen und mit den vordefinierten Farben Ihr eigenes Design gestalten. Haben Sie eine bestimmte Idee für einen Teppich im Kopf? Bei uns können Sie die kreative Leitung auch selbst in die Hand nehmen und Ihr eigenes Design mit Ihren eigenen Farben entwerfen.

Unsere breite Auswahl an Farben und Designs wird Sie mit Sicherheit inspirieren und ermuntern, Ihre Ideen zum Leben zu erwecken.

Wir begleiten Sie gerne bei jedem Schritt dieses kreativen Prozesses.

Das Design-Team

Carus connaît l'importance d'une approche personnelle. Notre technique Millitron vous permet de créer exactement l'ambiance que vous imaginez pour chaque projet.

Pour vous faciliter la tâche, nous avons prédéfini des banques de couleurs différentes, en adéquation avec les dernières tendances en matière d'aménagement et de décoration d'intérieur. Chaque banque de couleurs se prête à un univers très particulier et unique. Les banques de couleurs sont une sélection des 40 couleurs CARUS YOUR DESIGN et suggèrent différentes possibilités de motifs.

Rien ne vous empêche également d'explorer votre propre créativité et de créer votre propre motif avec ces couleurs prédéfinies. Vous avez une idée en tête ? Prenez les commandes et contrôlez la création de bout en bout de votre propre motif avec vos propres couleurs.

Notre vaste gamme de couleurs et de motifs ne manquera pas de vous inspirer pour donner vie à vos idées. Nous serons ravis de vous aider à chaque étape de ce processus créatif.

# PROCESS PROJEKtablauf PROCESSUS

---

Our state-of-the-art production process meets the highest standards and ensures the best quality. This guarantees a carpet that not only looks great, but will also last for years. We want the right carpet for your project, so we want to communicate clearly and transparently on how we can work together in the best possible way.

Unser moderner Fertigungsprozess erfüllt höchste Anforderungen und gewährleistet beste Qualität. So entsteht ein Teppichboden, der nicht nur großartig aussieht, sondern auch viele Jahre hält. Wir möchten Ihnen perfekten Teppichboden für Ihr Projekt liefern. Deshalb erläutern wir Ihnen gerne in aller Klarheit unsere Vorgehensweise für eine optimale Zusammenarbeit.

Notre processus de production ultramoderne répond aux normes de qualité les plus strictes et garantit une moquette non seulement très esthétique, mais aussi durable. Soucieux de vous proposer la moquette idéale pour votre projet, nous souhaitons communiquer de manière claire et transparente sur la manière d'optimiser notre collaboration.
